3. Submitted to Roger Jones for clearance a proposed letter from the Director to Sen. Olin Johnston, Chairman of the Senate Committee on Post Office & Civil Service on the subject of executive pay legislation. The substance of the letter was identical with letters which had been previously sent to Philip Young and to the Director of the Bureau of the Budget on December 3, 1955. Mr. Jones informed me after a check with Mr. Young that they could not clear such a letter. Mr. Jones informed me that the executive pay legislation had been discussed at a recent Cabinet meeting and that the President had taken a position in favor of the Senate bill. I informed Mr. Jones that I would have to take this matter up with the Director and that I would be in touch with him as soon as this was done. 10 Feb '56

2. Discussed the Executive Pay Bill with Colonel White and agreed with him on a draft of a letter from the Director in response to a request from Senator Olin Johnston for comments on the pending bills on this subject. Agreed with Colonel White that the Director should notify Mr. Philip Young as to his proposed reply before he actually dispatches it. *Feb. 5 '66*
